MASTER SITEPLAN

## Be Natural

Harbour Ridge is a 885-acre community where golfers and tennis players mingle with yachters and nature enthusiasts to create a buzzing, active community of residents. Residents in 28 villages and 695 homes are each proud to call Harbour Ridge home. The wide waterfront of the St. Lucie Estuary sets the backdrop in a preserve-like setting with stately moss-draped oaks and miles of riverfront trails waiting to be explored.

## Be Welcome

Watersports, golf, club activities, events, and a shared love for their Club gives Harbour Ridge its unique appeal. The members of Harbour Ridge are fun-loving neighbors taking full advantage of the picturesque waterfront clubhouse, two championship golf courses, private dog park and the new 22,000 Lakeside Spa, Fitness & Tennis Center.
